

PROFILE

AUGUSTO DELA CRUZ

UAE MANAGER - AUDIT AND TAX
CPA

Augusto is a focused accountant who loves the challenge of dealing with a range of business needs. With every job he tackles, his goal is to provide added value to the task at hand to ensure that his clients achieve the best possible result in an effective and efficient manner.

PROFESSIONAL BACKGROUND

With over 18 years of extensive experience, Augusto is skilled in a range of tax, accounting and auditing services. He has served over 500 clients in the UAE since 2011, with a particular focus on businesses in the fields of trading, services, real estate, construction, contracting, import and export, shipping, logistics, banking, and holding companies.

Over these years Augusto has developed a strong understanding of the interactions between businesses, developing effective strategies for dealing with audit risks, tax requirements, and effective financial reporting needs.

UAE ACCOUNTANT

As an accountant in the UAE, Augusto has extensive experience working with both free zone and mainland clients. He understands the different tax rules involved in the different UAE regions and can provide expert advice regarding the various options available in the UAE.

QUALIFICATIONS

Augusto is a Certified Public Accountant (CPA) with the essential qualifications required to work as a Manager in both audit and taxation in the UAE.

TAX ZONES

As a skilled tax accountant whose focus for the past two decades has been on businesses operating in both the free zones and the mainland of the UAE, Augusto is well equipped to deal with a wide range of tax, accounting, and auditing requirements across the different tax zones of the UAE.

PERSONAL BACKGROUND

In his personal time, Augusto loves learning new skills and spending time with his friends and family.
