

PROFILE

ELAINE JUANE

ACCOUNTANT
CPA, CMA

Elaine enjoys working in accounting because there is never a dull day. Every task brings a fresh challenge, something new to learn, and a different need to be met. By tailoring each job to the client and understanding their story and priorities first and foremost, she believes that the job is about more than just numbers.

PROFESSIONAL BACKGROUND

With over 9 years accounting of experience across a broad range of industries, Elaine now specialises in management reporting, financial statement preparation, financial analysis, budgeting, and record-to-report and billing processes.

Her previous roles in Management Accounting and the Billing team, have helped shape her skills in financial planning, decision-making, and problem solving.

The need to simultaneously manage multiple projects and learn how to deal effectively with stakeholders and management, have been invaluable skills to build.

CST ACCOUNTANT

Within CST, Elaine provides accounting services including bookkeeping, reconciliation of accounts, financial reports, and financial and cost analysis.

QUALIFICATIONS

As a Certified Public Accountant (CPA) and Certified Management Accountant (CMA), Elaine has the essential qualifications and experience needed to provide exceptional accounting services as a part of the CST team.

PERSONAL BACKGROUND

Elaine's husband Jonathan, and her daughter Elaina are the delight of her life.

When she is not busy working, Elaine loves to travel with her family. When travelling isn't on the cards she lets her mind travel through the joys of a good book.
