

## PROFILE

# JACK PAN

TAX MANAGER  
B COM, CPA, DFP

Providing value added advice is Jack's main aim when providing taxation, business advisory and compliance services. His background in strategic boutique accounting firms has allowed Jack to develop an extensive knowledge of tax and high quality service practices.

Jack values the process of building a professional relationship with a wide range of clients, including SMEs, family groups and high net worth individuals.

## PROFESSIONAL BACKGROUND

For over 12 years, Jack has worked in tax and financial services. During this time, he has provided accounting and taxation services to individual and business clients. This includes taxation, SMSF, accounting, and business advice. Throughout this work Jack has dedicated his career to ensuring a secure financial future for his clients.

## CST TAX MANAGER

Jack is one of CST's dedicated Tax Managers. He helps our clients manage their superannuation, employee share schemes, companies, family trust, and individual accounting and taxation needs.

## QUALIFICATIONS

As a qualified CPA with a B.Com (Accounting), Jack has completed the requirements necessary to be registered as a tax agent in his own name. In addition to his accounting qualifications, Jack holds a Diploma in Financial Planning.

## PERSONAL BACKGROUND

In his spare time Jack enjoys travelling with his family both locally and abroad. He is also an enthusiastic sports fan, and enjoys playing his hand at tennis, as well as being an avid student of Brazilian Jiu Jitsu.
