

PROFILE

SHAMEEN ALI

MANAGING PARTNER - CST AUDIT
CA

Shameen is an Audit Partner with 15 years of professional experience in providing audit services servicing both local and multinational clients across a wide range of industries.

PROFESSIONAL BACKGROUND

Shameen has significant experience in planning, executing and managing audits of large privately held companies in Singapore which has entailed coordinating audits carried out by a number of non-member offices in the region and dealing with challenging accounting issues.

In addition to his audit portfolio, Shameen has advised large audit engagement teams on the interpretation of auditing standards and their application to complex audits.

INDUSTRY EXPERIENCE

His past audit experience was with the Big 4 as well as Mid-tier audit firms and his clients included companies listed in Qatar, Singapore and multinational corporations with operations around the world.

PERSONAL BACKGROUND

Outside of work, Shameen keeps himself grounded through a disciplined gym routine, a habit he believes carries over into the rigour he brings to his audits. Above all, he is a devoted husband to Suhaidah and a doting father to his three daughters, who are the apple of his eye.
